

This up and comer continues to make strides establishing his brand as a force in the industry. After just entering New York's market less than 3 years ago, he has already garnered roles in major studio films such as **Proud Mary**, **Daddy's Home 2** as well as principal roles on popular series such as **Gotham**, **Homeland**, **Daredevil** and many others. He also played opposite Keke Palmer in a pivotal scene of the anticipated independent feature – **Pimp**, soon to be released.

Guns is known for his cool swagger and intimidating presence and is often cast in roles to play confident, authoritative characters with strong sense of physicality and flawed morality.

When not auditioning or on set he sharpens his acting chops with **NCIS L.A.**'s set acting coach, Peter Kelley. He has trained with Los Angeles' unconventional coach, Molli Benson and New York City's accomplished theater coach, Tom Todoroff. Ready for action, he is also adept in stage combat, pratfalls, tactical firearm maneuvers and boxing. He's simply a savage.
